## 2H 2017 Internship Offers

### Mediobanca

#### ABOUT MEDIOBANCA

Mediobanca is one of the oldest investment banks in Europe with branches in London, Paris, Frankfurt, Istanbul, Madrid, Milan, Moscow and New York. The bank was founded in Italy in 1946 and is today listed in Milan (market capitalization of more than €7bn). The strategy is focused on advising large European corporates.

The teams are currently working on a number of high profile transactions, which would enable the candidate to gain significant deal exposure. The candidate would also benefit from full integration within teams with strong ambition and including some very senior bankers.

#### M&A INTERNSHIP OFFER

Starting date: September 2017 (Paris and London)

Location: Paris (multi-sector coverage) / London (FIG Group)

Duration: 6 months

Compensation: €2,500 per month (Paris) / £2,500 per month (London)

Job duties: running valuations, performing strategic and financial analyses on sectors and / or companies, assisting with the preparation of marketing and transaction materials, always under the guidance of more senior members of the team. The intern will be part of growing teams and will play a critical role within day-to-day origination efforts and execution of challenging and visible M&A transactions.

In the Paris office (c. 20 bankers) the focus is CAC 40 companies and large LBO transactions, with a wide range of industries covered. The Financial Institutions Group (c. 30 bankers), based in London, is among the leading FIG teams in Europe and covers large EMEA clients.

#### CANDIDATE PROFILE

Candidates should be willing to perform at a very high level, thrive on team work and taking on responsibility, excel in solving complex issues and eager to help senior management at large corporations to achieve their strategic goals.

We are fundamentally looking for high potentials as demonstrated by previous achievement (curricular and extra-curricular) and interested in joining small teams of experienced bankers. The candidate should be highly motivated, entrepreneurial and thrilled to gain high exposure to senior bankers and clients on live transactions.

The candidate will have very good analytical skills, strong oral and written communication skills, and attention to detail. The candidate must be a team player able to work hard and to deal with highly confidential topics.

A previous experience in investment banking / private equity / audit is desirable, but we will also consider candidates with other relevant experiences as we favour potential to knowledge.
